NEW ARTIST SPOTLIGHT:

Dave Buonaguidi, AKA Real Hackney Dave is Hackney based artist who combines the visual and verbal language of advertising and propaganda with unique imagery and materials of found objects and ephemera. In a previous life, Dave worked in advertising for over 35 years, founding several creative agencies including St. Luke's, 4Creative and Karmarama. He left advertising in 2019 to become a full time artist after realising he was not meant to be part of a corporate world full of tossers. He also played cricket for Italy.

DAVID SHRIGLEY X BRAINBOX CANDY

PLEASE GET IN TOUCH FOR A
~~FREE~~ 2025 CATALOGUE OF THINGS

Behold! It's the legendary Brainbox Candy

Cheeky Box!

Free with £150 orders

It is well known that rude cards sell exceptionally well and they make up a significant percentage of our sales. We are extremely mindful, however, that some of our customers don't want to display them openly on the shelves, in case of complaints. We have the answer!

Our tried and tested wooden, screen printed 'Cheeky Box' allows you to sell them in bucket loads, without the risk of ruffled feathers. Free of charge, on any new orders placed of at least £150. We can either send you a ready stocked Cheeky box, filled with the best selling rude designs from our various ranges or you can choose your own. Taking up a tiny footprint and worth hundreds in turnover, this intriguing little box is irresistible to customers who want to know what's inside!

Join the hundreds of retailers now selling cheeky stuff, complaint free!
