QU059 Grammar Police

The older you get, the earlier it gets late.

QU156 Older You Get

Everyone has to believe in something and I believe I'm going to have another wine.

QU185 Believe In Something

Remember, if you lose a sock in the dryer, it comes back as a Tupperware lid that doesn't fit any of your containers.

QU158 Lose A Sock

Sometimes there are not enough swear words to meet my demands.

QU065 Not Enough Swear Words

You know you're old when you say 'The other day' and it could mean any time between yesterday and 20 years ago.

QU157 The Other Day

Give a man a fish and you'll feed him for a day. Teach him how to fish and you create a boring tw*t who only talks about fishing.

QU090 Give A Man A Fish

Once upon a time there was a lovely lady. It was you. The end.

QU148 Once Upon A Time

Thank goodness for autocorrect, I'm eternally grapefruit.

QU184 Autocorrect

I finally got eight hours of sleep. It took me three days, but whatever.

QU160 8 Hours Of Sleep

Who is this 'Moderation' people keep telling me to drink with?

QU061 Drink With Moderation

Exercise is a dirty word. Everytime I hear it, I wash my mouth out with chocolate.

QU011 Wash Mouth Out

I don't mind getting older, but my body is taking it badly.

QU186 Getting Older

Young at heart. Pretty old everywhere else.

QU086 Young At Heart

I don't get drunk, I just get less classy and much more fun.

QU190 Don't Get Drunk

I hate it when a couple argues in public, and I missed the beginning and don't know whose side I'm on.

QU161 Couple Argument

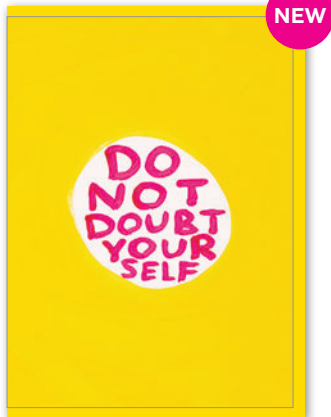

I don't mind getting older, but my body is taking it badly.

Dave Buonaguidi, AKA Real Hackney Dave is a Hackney based artist who combines the visual and verbal language of advertising and propaganda with unique imagery and materials of found objects and ephemera. In a previous life, Dave worked in advertising for over 35 years, founding several creative agencies including St. Luke's, 4Creative and Karmarama. Artist & Print Maker **Magda Archer** creates kitsch & colourful artworks; these are essentially an 'assault on the peepers' via saccharine-soaked candy-coloured scenario's, statements & speech bubble philosophy. The works draw upon vintage ephemera, retro-packaging & a lemon-sharp sweetness that belies the bitter truth underneath. On other days though, the Artist says, her work is 'gentle & kind & appreciative of simple things & uncomplicated relationships... so it really depends on the day the work is made on'.

It is well known that rude cards sell exceptionally well and they make up a significant percentage of our sales. We are extremely mindful, however, that some of our customers don't want to display them openly on the shelves, in case of complaints.

We have the answer!

Our tried and tested wooden, screen printed 'Cheeky Box' allows you to sell them in bucket loads, without the risk of ruffled feathers. Free of charge, on any new orders placed of at least £150. We can either send you a ready stocked Cheeky box, filled with the best selling rude designs from our various ranges or you can choose your own. Taking up a tiny footprint and worth hundreds in turnover, this intriguing little box is irresistible to customers who want to know what's inside!
