Fruits & Florals

The Fruits & Florals Collection combines the freshness of ripe fruits with the elegance of delicate blossoms, creating fragrances that are both vibrant and uplifting. Cherry Blossom & Sakura offers a soft, romantic floral inspired by springtime blooms, while White Tulip & Bergamot blends crisp florals with a touch of oud for a refined, modern aroma. Crocus & Sweet Orange balances floral sweetness with a gentle citrus brightness, and Damson & Patchouli Flower delivers a rich, fruity-floral with warm, earthy undertones. Completing the collection, Sweet Lemon & Rosemary bursts with zesty freshness, and Sour Cherry & Lime. Presented in candles, diffusers, and wax melts, this collection celebrates the harmony of fruit and flower in perfect fragrance balance.
