# Eastern Bluebird

---

The Eastern Bluebird range celebrates enchanted woodland beauty through painterly bird and orchard motifs, deep amber tones, and refined gold detailing that carry consistently across every piece. United by a warm autumnal palette and heritage artwork, the collection layers nature inspired pattern and soft glow to create a cohesive story of colour, fragrance, and atmosphere for the home. Designed to style effortlessly from living room to hallway, it balances classic illustration with contemporary forms for a premium, gift ready presentation. Curated to mix and match, Eastern Bluebird brings depth, calm, and a quietly luxurious character to any interior.

# Flora & Fauna

The Flora & Fauna range celebrates the romance of the autumn garden, weaving orchard fruits, woodland herbs and warm spices into an inviting seasonal fragrance story. Artwork inspired by vintage botanical studies and rich harvest still lifes wraps the collection in deep forest greens and burnished gold, giving every piece a gift-ready finish. Designed to bring warmth to mantelpieces, dining tables and cosy corners alike, Flora & Fauna offers an elegant way to dress the home for the season while surrounding it with the gentle ambience of nature's bounty.

# Cream & Gold Range

---

The Cream & Gold range brings a refined winter palette to every corner of the home, pairing soft ivory tones with warm metallic accents for a quietly luxurious look. Textures play a leading role, from the subtle shimmer of gilded finishes and pearlescent details to plush velvet and sculpted paper, creating depth without clutter. The collection is designed to mix and layer with ease, offering elegant wreaths, luminous glass accents, timeless decorative figures, and thoughtfully finished textiles that sit comfortably in both classic and contemporary schemes.

# Scented Sticks

The Scented Sticks range captures favourite autumn and winter aromas in compact, fragranced botanical sticks that perfume small spaces with ease. Pop them into bowls, wreaths, centrepieces, drawers, or gift hampers to add a welcoming hint of scent without flame or fuss. Comforting accords such as apple and cinnamon, and roasted pumpkin spice evoke cosy kitchens and festive gatherings, while the clear, resealable tubes keep the fragrance fresh and merchandise cleanly on shelf or in impulse displays.

# Paper Decorations

The Paper Decorations range brings sculptural texture and colour to festive styling with honeycomb trees, stars, bells and novelty shapes in rich jewel tones edged with subtle metallic detailing. Designed for versatile use, these lightweight pieces work as hanging ornaments, window accents or table centrepieces, creating volume without visual clutter. The curated palette of deep green, charcoal, cream and red mixes easily with existing décor, while the fold-away construction makes them simple to assemble, reposition and store between seasons.
