THE CHRISTMAS EDIT

ICE SKATING IN THE PARK

Crisp air tinged with mint and eucalyptus, the sound of blades carving into frozen lakes, laughter echoing through frosty trees.

This invigorating fragrance captures the joy of wintery afternoons - cool, refreshing, yet comfortingly sweet. With floral mid-notes dancing over warm base notes of cedar, caramel and vanilla, it's a scent that glides effortlessly between nostalgia and wonder.

UNDER THE MISTLETOE

The promise of something special lingers in the air. A sparkling blend of bergamot, cardamom and saffron opens the door to golden evenings and chance encounters. As velvety florals bloom, deep, resinous notes of sandalwood and patchouli stir the soul. Sensual, sophisticated, and just a little mysterious - this is the scent of love, nostalgia, and the thrill of the unexpected.

NIGHT BEFORE CHRISTMAS

'Twas the night before Christmas, and the world was hushed in anticipation. The comforting warmth of cinnamon and clove mingles with whispers of whisky and dark cocoa - rich and indulgent like a secret midnight feast. As the fire crackles low, notes of amber, musk and soft woods linger in the air, wrapping you in a cocoon of festive calm.

Supporting magical moments - a portion of profits from this collection goes to 'When You Wish Upon a Star' Children's Charity.

FYG's Christmas Collection invites you to relive the magic of the season through scent - a celebration of moments and memories, evoking nostalgia through stories woven into every festive note.
