LUXURY GIFT WRAP
AND ACCESSORIES

CHRISTMAS 2026

Welcome

A VERY WARM AND SPARKLING WELCOME TO OUR CHRISTMAS 2026 COLLECTION

Let us help bring Christmas magic to your retail offering with our thoughtfully curated festive collections designed to inspire, attract and captivate your customers.

We are proud to present a strong and versatile range of designs from our best-selling collaborations, combining exceptional creative detail, commercial appeal and sustainably produced paper goods.

Our 2026 Christmas selection offers eye-catching, on-trend collections your customers will naturally gravitate toward; created to deliver impactful merchandising and exceptional seasonal trading.

With almost every product in the collection fully recyclable, you and your customers can celebrate in style while staying true to the spirit of responsible gifting. Each range reflects our continued commitment to quality, beauty and the environment, ensuring your shelves sparkle with both elegance and conscience.

Our friendly team, both in the office and out in the field, are here to support you with tailored guidance and product recommendations; while our 24-hour Trade Webshop (trade.glick.co.uk) makes browsing and ordering convenient and efficient.

To secure your preferred designs, please note our order deadline of 27th March. For Christmas deliveries, we operate fixed delivery slots from August to November. Each slot has limited capacity and is allocated on a first-come, first-served basis. To secure your window, please place your order early.

We hope Christmas 2026 brings festive excitement and unforgettable moments. Thank you for your continued support - we hope you love this collection as much as we have loved creating it for you.

A close-up photograph of a gift wrapped in white paper with a detailed pattern of green leaves, red berries, and small red birds. A large, vibrant red ribbon is tied in a multi-loop bow on top of the gift. The gift is resting on a light-colored, textured surface, possibly a rug or carpet. The lighting is soft, highlighting the texture of the paper and the sheen of the ribbon.
