EVERYDAY 2026

Welcome

HELLO, AND A VERY WARM WELCOME TO OUR 2026 EVERYDAY TRADE CATALOGUE.

We are thrilled to share our new Collection for the year ahead with you!

This year brings new looks, new curated collections and over 230 brand-new Everyday SKUs – an unprecedented injection of innovation and choice. We're also incredibly excited to introduce our new range of exquisite paper napkins, bringing beautiful design to the table. And this is just the beginning... watch this space for even more premium paper products coming soon.

We were extremely proud to win the highly coveted Henries Award for Best Gift Wrap Collection in October 2025 with our vibrant Paper Salad collection. Being honoured with this prestigious award for the 11th consecutive year is something we are truly grateful for. You can explore the award-winning designs from page 8 and, to celebrate, we've added over 80 new SKUs to the Paper Salad Collection for 2026!

Our guiding principles remain firmly at the heart of everything we do: delivering unique, sustainable, luxury paper goods that your customers will love – and that won't cost the earth. You can find our full sustainability statement on page 6.

Our Trade Webshop allows you to browse and order our Everyday, Spring, and Christmas ranges at your convenience. Simply visit trade.glick.co.uk and register for your login.

OUR SUSTAINABILITY MISSION

DURING CREATIVE DECISIONS, WE RESPECT THE FUTURE OF OUR PLANET AND FUTURE GENERATIONS; WE ACT WITH RESPONSIBILITY AND COURAGE, EVEN IF IT'S DIFFICULT.

*here's what
we're doing...*

All of our products and packaging are printed using eco-friendly water based inks to FSC papers.

Some of our bags are fully recyclable as the handles are made from woven paper! Most other bags are recyclable when their ribbon handle is removed.

Our tissue papers, gift tags and gift dressings are housed in recyclable FSC packaging, and only where necessary, surrounded by polybags made from 100% recycled plastic.

You'll find our roll wraps also packaged in 100% recycled plastic shrink wrap.

Our units of products are packaged in polybags made from 100% recycled plastic.

We never use virgin plastics.
