HELLO

Thanks for picking up our latest catalogue.

We're Laura and John, the husband-and-wife team behind Go La La, happily based on Scotland's beautiful west coast, albeit navigating four seasons of weather before lunchtime.

When we're not watching rain clouds roll across the Clyde, you'll find us in our workshop dreaming up new card designs, creating quirky, colourful gifts and thinking of fresh euphemisms for boobs and bums!

This year we've been busy adding lots of newness to the collection, including brand-new greeting card designs, fresh additions to our bestselling Filthy Gorgeous range and, for something a little different, the launch of our brand-new Manifesto collection.

Manifesto is our colourful new range of uplifting soaps and more, packed with positive messages, natural fragrances and feel-good vibes. We wanted to create something joyful, optimistic and giftable.

Of course, we haven't abandoned our filth side. You'll still find plenty of fresh Filthy Gorgeous fun throughout the catalogue, along with the rude, irreverent humour that has helped make Go La La a popular choice with customers across the UK.

Everything in this catalogue has been designed with one simple aim: to bring a bit of fun and laughter to people.

We're incredibly grateful to all the wonderful independent retailers who continue to support our small business. Read a few of our reviews below!

Dark Matters

127 x 177mm | Textured board | Yellow envelopes
 £1.15 p/u | £6.90 per pack of six | RRP £2.95

Harry is sad.
 His girlfriend, Anne, is breaking up
 with him because she and Evil Kirsty
 love each other.

Evil Kirsty does not love Anne.
 She is playing games and is
 a dangerous psychopath.
 One day, Evil Kirsty will go to prison.

DM01

Today is Mike's birthday.
 To celebrate, his family have thrown
 him a lovely party.

But Mike doesn't want a lovely party.
 He wants to be chained to a
 dominatrix called Linda, who will
 slap his testicles with a fish slice.
 Never mind Mike. Happy Birthday.

DM02

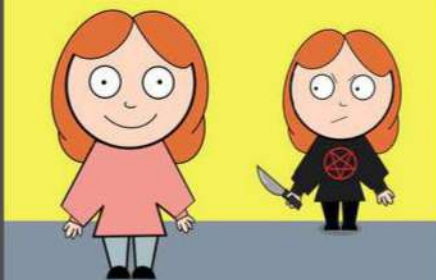

This is Kath. Kath is a 'crazy cat lady'.
 Kath has lots of cats and talks to them
 and cooks them fresh chicken and lets
 them cuddle up with her in bed.

Kath prefers cats to people because
 she thinks people are evil scumbags and
 if it wasn't for the worry about what
 would happen to her cats if she went
 to prison, Kath would be a serial killer.

DM03

Here are Molly and Mary. They are twins.
 Molly likes animals, baking and wants to
 be a Doctor.

Mary likes devil worship, human sacrifice
 and wants to be an only child.

DM04

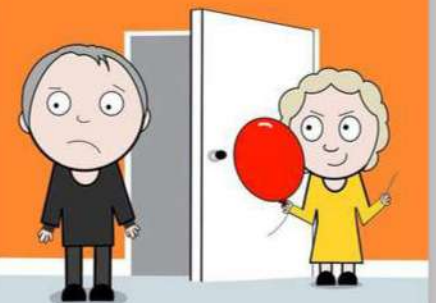

This is Tina. Tina is in her 'happy place'.
 It is where she used to go camping with
 her husband Tony.
 It makes Tina feel close to him.

That's because Tony isn't far away.
 He is in a special pitch up on the hill,
 which Tina dug one night when he
 was snoring. Happy camping Tina!

DM06

Ken is worried. His doctor has told him
 that he has a bad heart and that any
 nasty shocks will be the end of him.

Luckily, his wife Jean is on hand to
 cheer him up with playful games.
 Well done Jean!

DM07

This is Mel. Mel is a Mum.
Before she was a Mum, Mel went to fun parties to dance and drink grown-up drinks and sometimes, Mel would stay out all night and do special naked dancing with boys, or with girls, or maybe with both!
Mel was very friendly.

Now that Mel is a Mum, she doesn't do those things anymore. And she doesn't miss them one bit.
Do you Mel?

DM08

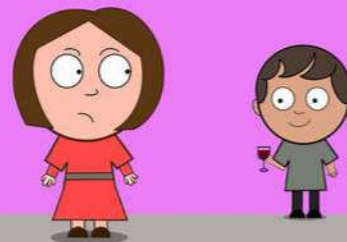

This is Lucy.
Lucy has just read a meme on the internet which has told her that she can be whatever she wants to be.

Luckily, Lucy really wants to be a gullible idiot.
Follow your dreams Lucy!

DM09

This is Pam. Pam is single and looking to mingle but finds it hard to get to know people because she doesn't like it when they make funny smells with their bodies.

It means that Pam will probably die alone, only discovered when the neighbours wonder where the funny smell is coming from.
This is called irony and Pam needs to think about that.

DM10

This is Flora. Flora is sad because her neighbour, Tim, has been 'fat shaming' her and making her feel ugly and that she isn't good enough as a woman.

So Flora has decided to be proactive and have Tim round for dinner. Turns out he goes very well with chips.
Bon appétit Flora!

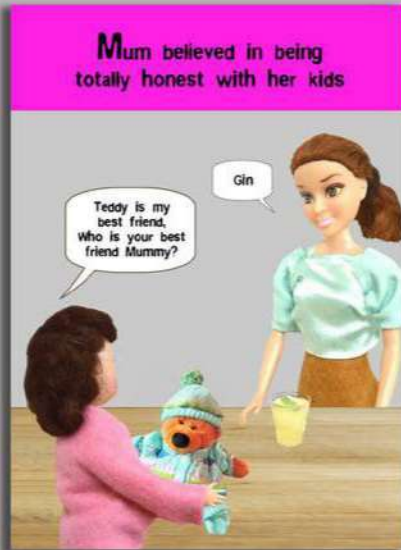

DM11

This is Pam. Pam is single and looking to mingle but finds it hard to get to know people because she doesn't like it when they make funny smells with their bodies.
