## Hello!

What a year 2025 has been! Our studio has been bursting with colour, creativity and a little bit of magic as we introduced exciting new ranges Cameo, Gold Rush and Alchazam! We've also sprinkled fresh ideas into some of your favourite, ever-popular collections. Using our bright neon colours and the innovation of both bold and delicate printing techniques, we continue pushing boundaries to bring you greeting cards that will be sure to brighten that someone special's day.

A huge thank you to our amazing customers for all of your support. From every order, to every vote at The Henries, where Sunshine shone bright once again, winning Best Children's Range for the second year running! Your support inspires us to keep innovating and bringing the best product possible to your communities.

We accomplished our mission to be cellophane free thanks to your backing and belief in our journey to becoming a more sustainable, eco-friendly company. We endeavor to continue on this path to an even brighter future, together with our customers whilst providing you with fantastic service and an enjoyable experience as we enter 2026!
