Christmas 2025

Christmas Joy!!

It's time to start planning your Christmas 2025 displays and as usual we have some gorgeous designs across a range of sizes and price points to keep you happy!

We've added 20 new Quicksilver designs to last year's 40 so you have a vast selection to choose from which all sit beautifully together in a display, with the addition of sumptuous gold envelopes to really compliment the foil colours.

There's Hey Fresco and Rainbow Drops too, both with new envelopes (gold for Hey Fresco and Red Stripes for Rainbow Drops) - like our other foiled and embossed ranges, we're running these over a two year window in order to keep prices the same. By increasing the size of our print runs we cover any recent increases in costs - which means we don't have to pass those costs onto you, our lovely customers :)

Up, Up And Away is our newest large sized hand finished card range and we bring you this Christmas collection for the first time ever, featuring all those special captions for loved ones. There's a new smaller size too (Up And Away) for shops who don't have shelves or spinners for the larger cards.

We hope you enjoy browsing our catalogue, do get in touch if you have any questions and here's to a successful festive season at the end of the year!
